Sheywe Community Hospital is a Private Community Hospital Registered Under the Kenya Medical Practitioners and Dentists' Board operating in Western Region. We provide 24-hour Emergency services, Out-Patient services, in-patient service, dental services, imaging services and Child Health Services in Kakamega County specifically Khayega Market. Having highly qualified professionals we deliver our mission every day, translating knowledge and expertise to compliant practices in healthcare provision. Through expansive investment in latest technology and medical equipment we are able to offer better medical services to patients and a better platform for medical practitioners. Courtesy, consideration and unreserved respect towards our patients' privacy, dignity and confidentiality are our key values

Job Title: Clinical Officer (1 Position)

General Description

Attending to clients both on clinical matters like diagnosis amongst other.

Duties and Responsibilities include but are not limited to:

1. Attend to the outpatients in the O.P Department, Wards and Casualty as the case may be and prescribe necessary medicines as available in stock and the required investigations.
2. Whenever necessary, with the approval of Director of Clinical Services, carry out investigations and prescribe non-stock drugs.
3. Issue Medical Certificate for sickness or fitness to join duty as per prescribed procedure.
4. Assist Director of Clinical Services whenever called upon to do so for any patient or hospital related work.
5. Attend to work with punctuality and dedication and not give room for any complaint from the patients.
6. Report non-attendance, late attendance or any other misconduct of the Staff working in his/her area to the immediate superior officer.
7. Mentorship and supervision of clinical interns.
8. Order and interpret diagnostic tests.
9. Communicate effectively with patients and clients.
10. Ensure that duties and functions are undertaken in a manner that prioritizes the safety and well-being of patients.
11. Represent the department /profession/team at meetings and conferences as appropriate.

12. Seek advice and assistance from the consultant/clinical director/employer with any assigned cases or issues that prove to be beyond the scope and professional competence in line with principles of best practice and clinical governance.

Job Requirements

1. Diploma in Medicine and surgery.
2. Registered by clinical officers' council.
3. At least 2 years' experience.
4. Ability to work under minimum supervision.
5. Ability to plan and deliver care in an effective and resourceful manner.
6. Computer literate.
